DEDICATIONS

TO OUR RETIRING STAFF MEMBERS

In a twenty-seven and a half year career, Mrs. Betty Murray has taught twenty-six and a half years in Lambton County, most of that time at SCITS. She began as a Physical Education teacher, eventually being appointed head of the Girls' Phys. Ed. Dept. For the past seventeen years, Mrs. Murray has been a student services counsellor and teacher of English.

During the first part of her career, she coached many girls' teams, while later she became involved in training individual singers and choral groups for assemblies and drama club productions. For many years, Mrs. Murray belonged to the Polysar Glee Club, starring in various productions. Former students and her colleagues have been privileged to hear her beautiful, trained soprano voice at Christmas assemblies. During vacations she has enjoyed travelling.

Staff and students will remember Mrs. Murray as a no-nonsense but warm-hearted teacher and counsellor, and hope that she enjoys health and life at her retirement home in Meaford and the different spots around the world she intends to visit.

Miss Joan Mitchell has spent thirty years of her thirty-six year teaching career at SCITS, arriving here in 1957. Students of the past decade and a half know her as a teacher of English whose specialty has been the Grade 13 Canadian Literature course. During this time, Miss Mitchell has served as assistant head of the English Dept. Previously, she was also involved in student counselling.

For a number of years, Miss Mitchell was staff advisor to the Spades Club, a girls' service club. Under her able supervision, the Grade 9 English enrichment classes for several years, produced a school newsletter. Much of her free time has been spent travelling.

Miss Mitchell's colleagues and former students salute her as a dedicated and professional teacher with a wry sense of humour lurking close to her (usually) calm exterior. We wish her a long, healthy and happy retirement.

Mr. Jack Kinchsular attended the University of Toronto and then joined the Canadian Army. His choice to become a teacher ran in the family since he had a father, two sisters and a brother in the teaching profession. Mr. Kinchsular taught at SCITS for twenty-six years.

Over the years Mr. Kinchsular has been an Officer Commanding off/on of the Army Cadet Corp, a member of the Militia of Sarnia, 7th Regiment and the 1st Hussars which was the local army. Inside of school he was a member of the Commerical Dept. and was also co-ordinator of the Secondary Schools Drama Festival and competed in the Provincials.

Mr. Kinchsular's plans for retirement are to "live it up to the fullest" by travelling. His interests and hobbies are gardening, swimming, and camping but his main hobby is playing the stock market. We all know how much Mr. Kinchsular hates to lose money!!

Mr. Kinchsular said that he will miss the attachments to the teachers and students.

PAT STEWART

JOAN MITCHELL

RON STEVENSON

JACK KINCHSULAR

For a recent issue of *Third Dimension,* Mr. Pat Stewart, our retiring vice-principal, wrote a summary of his career entitled "A Thirty-years War". His life as a teacher was hardly that.

He began teaching in the fall of 1955 at Petrolia District high school (for $3.100) and came to S.C.I. & T.S. in 1958. When St. Clair opened in 1961. Mr. Stewart went there. In 1962 he left to become Commercial Director in Petrolia, but returned to St. Clair the following year. He was promoted to the position of vice-principal in 1971 and joined the staff at Northern. The two following years were spent at SCITS. After short terms at Central, St. Clair, and Forest, Mr. Stewart again returned to SCITS for the final three and one half years of his varied career.

Mr. Stewart commented that, "The thirty years plus I have spent in the schools of Lambton County have been good and rewarding years for me."

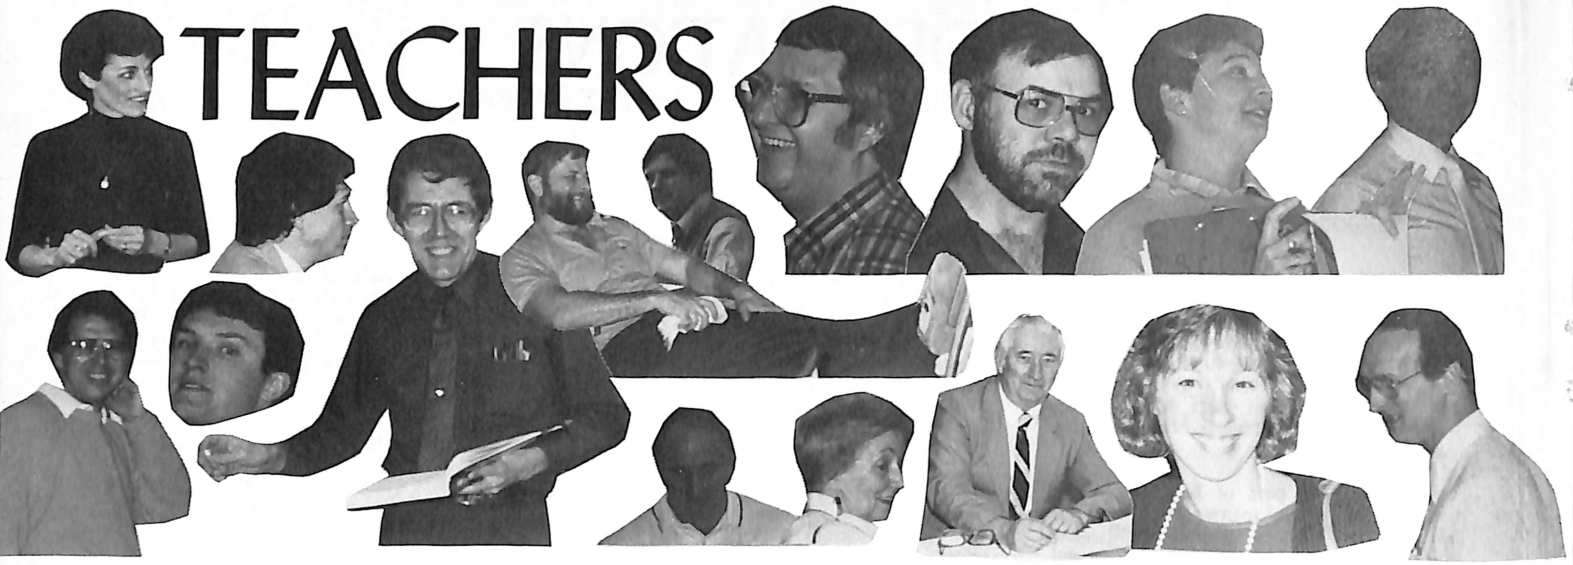

During Mr. Stevenson's thirty-three years of teaching he taught in Petrolia at Central Public Elementary School and Queen Elizabeth Public School. He then moved on to teach at Hill Street Public School in Corunna and then proceeded to Central Collegiate in Sarnia where he became the Department Head of Geography. Continuing his title of Department Head, he moved on to S.C.I. & T.S. Before Mr. Stevenson's arrival at S.C.I. & T.S., he was a special assignment teacher for one year.

During his spare time Mr. Stevenson enjoys reading, gardening, and travelling. He is also interested in photography and is currently active in hockey.

In Mr. Stevenson's view of SCITS, he commented that the students are very friendly and fun-loving and that there is a tremendous amount of energy and vitality within the school. With that vitality and the skills of the teaching staff, SCITS will make great progress in the years to come.

ALL OF US AT S.C.I.&T.S. WISH THE RETIREES MUCH HAPPINESS IN THEIR FUTURE.

Staff Advisor

Gavin Hall

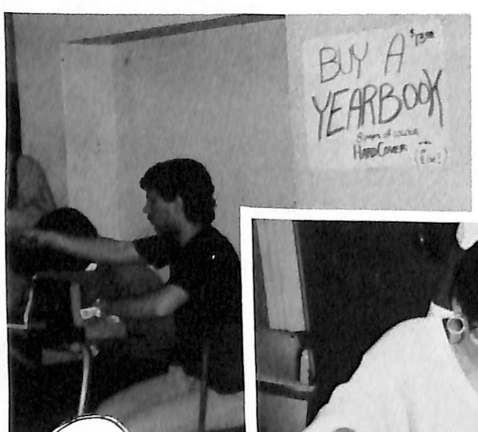

My thanks goes to this year's Yearbook Staff. From all appearances, we have another fine product to offer to the student body. My special thanks to Colleen MacDonald for her untiring dedication and willingness to sacrifice countless hours to make sure that SCITS will have the best yearbook in the county. I would also like to thank the many teachers, especially Mr. Ron Yorke, for their help to us in getting the book done. As staff advisor, my job has been made much easier and the time spent more pleasantly by the tremendous co-operation of staff and students.

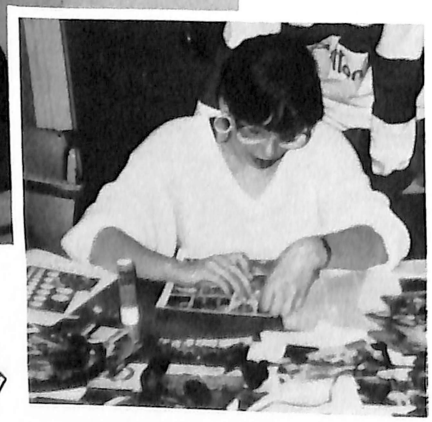

Special Thanks To

Barb Woolner, Chitra Dath, Christiane Szielet and Gillian Walker for their contributions.

A special thank you also goes to Bill Moran for the unlimited use of his zoom lens and to Mrs. Marie Hall for being the person that we could "pass the buck" on to.

Editor's Message

Helping to produce this yearbook has been a very satisfying yet sometimes trying experience. There were a few moments that led me to believe that friends shouldn't work with friends if they want to remain friends. Nevertheless, there wasn't too many complications to oversee and it was enjoyble to be a part of because of the group effort.

When you take this book off a dusty shelf several years from now, you may charish your days at S.C.I. & T.S. a little more once you reflect upon the way we were. I hope you enjoy this pictorial history of our school year.

Our Senior Blue Bombers captured their 4th city championship in the past five years with a thrilling come from behind victory over the St. Clair Colts 20-14. Predicted to place 3rd at the beginning of the season, our Bombers rolled over their opponents and posted a 5-2 regular season record winning the Mattingley Trophy for their first place finish.

At the annual LSSAA football awards banquet, 14 allstars were selected from the Blue Bomber squad. Congratulations to the entire team and coaching staff and we wish them continued success in '87.

The 1986 season for the Senior Girls had its ups and downs. It was a year where we had at least one player on the injury list for almost every game and consequently it was hard to judge how well we could really play. The blue was the consolation winner at London University's Purple and White tournament, but lost at the Windsor University's tournament. They won the Referee's Classic and lost at the Madill tournament. The girls then seemed to come together and won top honours at the Oshawa Invitational. Having finished third in league play, no one expected the girls to do well against Northern and St. Pats (the perennial champions). The surprising Blue proved that the potential, Coaches McLellan and Hall believed they had, was there when they defeated St. Pat's 42-38 and Northern 42-28 to win the L.S.S.A.A. championship. The girls then had a good W.O.S.S.A. tournament but were silver medalists behind Northern. The Blue had a chance at O.F.S.A.A. and went to the semi-finals but again their old nemesis Northern defeated them, 38-28. The girls rebounded after a day of sightseeing in Thunder Bay, to win the O.F.S.A.A. Bronze.

The senior team has all its players returning next year and we hope that an O.F.S.A.A. Gold will be within their reach. Congratulations to the team and coaches McLellan and Hall.

1986 was a very successful season for Senior Boys' Soccer. The season record was 5 wins to only 1 loss and that loss was a close game to first place St. Pat's who the Bombers eventually faced in the championship series. The Blue went on to win the championship in an overtime shoot-out against St. Pat's and took the series 5 goals to 4. In addition, the Senior Bombers also won the consolation championship at the Newmarket Invitational Soccer Tournament. This years achievements were the result of an outstanding team effort.

Congratulations to the Junior Soccer Team for bringing S.C.I. & T.S. its first junior championship since 1959. The team finished the regular season in first place with a record of six wins and two ties and defeated St. Pat's in the first round of the playoffs. An exciting come-from-behind victory over Lambton Central clinched the title and allowed the team to advance to WOSSA where they earned the gold medal with a win over Strathroy.

What Do You Call Your Flamingo

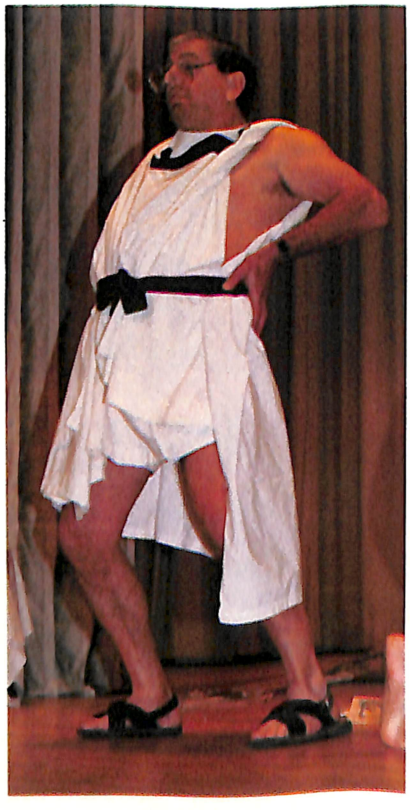

Students had to bring in at least three canned food goods to see Mr. Whitehead's writing, directing and producing talents for the staff's Christmas present to the students -- the play, "What Do You Call Your Flamingo". Because of this worthy (and hilarious) event, SCI & TS staff and students donated nearly 5000 cans of food so that several hundred families in Sarnia had a better Christmas.

The Blue Bomber Hockey Team ended the first LSSAA Hockey Season in first place by defeating Watford 5-1, Petrolia 7-1, Forest 7-2, St. Clair 5-2 and tying St. Pat's 1-1. The team entered the play-offs on a high note by defeating Watford in the sudden-death semi final but came up short in the best of three series final by dropping two games to the hustling St. Clair Colts.

The SCITS team was led by the high scoring line of Seth Lippiatt, Erin White, and Kirk Bothwell followed by the other lines of: Paul Helps, Mark Monkhouse, and Kevin Somes, and David Wright, Phil Regnier, Dave Archer and Jeff Morgan.

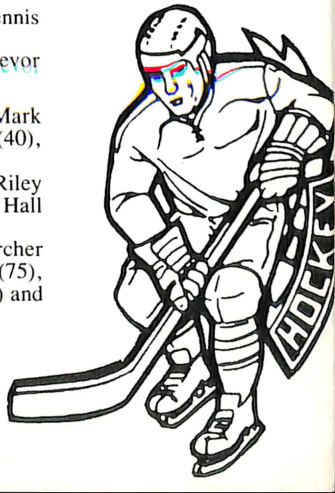

The strongest point of our team all season tended to be the strong defense led by Trevor Hall, Paul Williams, Jeff Smith, Rod Browning, Ron Wilkinson, Brad Riley and the more than competent goal tending of Trevor Syversen, Chris Lamb and Jim Mara.

The coaches Mr. Hall, Mr. Gusba, and Mr. Tyro appreciated the good attitude and effort put forward by the team. They are looking at next year as a continuation of the SCITS tradition of having good, competitive teams in LSSAA.

Congratulations Blue and "Good Luck!" next year.

SCITS students had the opportunity to see some presentations that addressed important social issues. A play performed by Theatre Dirct Canada, *Thin Ice*, (A scene is pictured below left) was shown to Gr. 11, 12, and 13 students. In a sometimes amusing yet serious manner, the subject of sexual coercion was expertly presented. Gary Zelesky (below right), in a stand-up comic format, also discussed such matters.

The Blue Bomber Ballad

Last year's ballad had ended
with a promise to make, that
the ghost in '86, the Bombers
would take.
The '86 Bombers, a team to be
proud, at the start of the
season, no names in the
crowd.
The Blue Bombers not favour-
ed, predictions of third, the
coaches and players knew that
was simply absurd.
The backfield looked awesome,
that pigskin to carry. The
offensive line made Coach
Smith oh so merry.
With Scotty at centre, veter-
ans Bow and the Jake, flanked
by Nutt and Monknouse, Richie
Large his head baked.
Every year a new motto, a
rhyme oh so true, this year
we'ed be bitching, bitching
so blue.
The defence to inspire, the
coach made his call. Come on
let's party, party on the
ball.
To Petrolia we travelled, the
big Lancers our foe, 12-4 was
the final, the 1st victory to
show.
Next game was Red Feather,
revenge in our eyes, the Vik-
ings young streak, by the
Bombers she dies.
In the mud it was played, on
that rainy Saturday, Rod
Browning with 2, the Vikings
with nay.
St. Pat's our next challenge,
their first drive a score,
but the Blue would score 3
and the Irish no more.
Mid-season the Bombers were
leading the pack, three and
oat this point could they
bring the ghost back?
The Colts took the field, the
Bombers confident, undefeated
no longer, fat egos they went.
Young Coach felt dejected, so
furious, so mad, a speech
with emotion he would give
his young lads.
Next week was intense, with
scorns from the mouth, the
Vikes would again feel the
wrath of the South.
The defence inspired, thank you
Billy their song, as the Goose
snatched the pitch, this T.D.
he would long.
Our rematch approached the
Colts to do battle, Freddie
the hero, turned ponies
to cattle.
Final week all in fun, the
rooks get to play. The kid's
so excited, he runs the
wrong way.
Young Goose, Boon and Ty,
Steve, Shane, Jim and Squid,
Jackson and Bell, their first
senior bid.
But that had not ended in fun
as we'd hoped. With Tim lost
for the season, how could the
'D' cope?

A week of rehearsing, review-
ing, preparing, how would the
Blue handle the Colts young
and daring?
Coach Smith his game plan to
run power and crash, the line
so exalted to bash crash and
smash.
A day of excitement, trad-
ition and fans, the SCITS
Technocrats, our new marching
band.
Our game plan fine tuned,
first march we did score,
Dave Martin the Workhorse,
big yardage and more.
Then the fumbles erupted from
the hands of the steady. The
'D' held together by the
captain named Eddie.

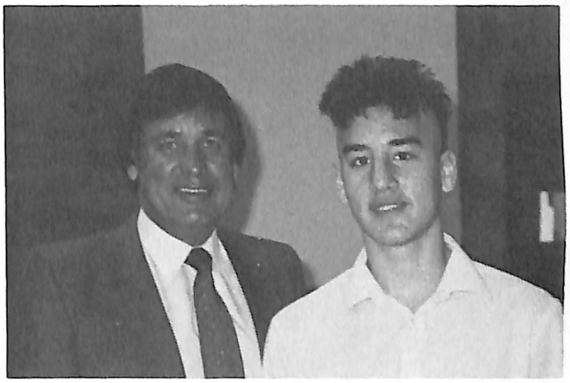

Colts so inspired, 8-7 they
led. By the start of the
fourth, the Bombers looked
dead!
But fine character surfaced,
the wantin' to win. Accep-
ting defeat would not be our
sin.
From Trevor to Freddie, T.D.
in the air. By one point
the Colts hung on in
despair.
One break the Blue needed,
The
ball
for the
O. The
rebel the hero
would make up for
his toe.
The 'D' snatched a
fumble, one last chance
for the O, the fans on
their feet, to witness this
show.
Power and pitches, keepers
and crashes, long runs and
short runs, running back
dashes.
Now faced with long yard-
age, and time running out,
Hall rolled to the right,
there wasn't a doubt.
88 in the corner, jumped
high in the air, came down
with the ball, 5 seconds
to spare.
Time out by the coaches,
now what would they plan?
To punt or to kick, why
run, sure they can.
The call was six
hole, up Bow
Ed and
Jake
Hall
took the
fine snap,
what a marvelous
2 fake.
On down the line, his
journey so pure, to Riley
the ball, with hands oh so
sure.
Untouched and unscathed,
he burst through the line,
a touchdown so great, so
sure and so fine.
Our promise accomplished,
the ghost has returned,
the cup that we fought for
and all of us earned.
Now this season has ended
with fondest memories,
till Fall we will wait,
when leaves fall from
trees.
To build a new team, a
new gaol to make, yes
the Galloping Ghost
next year's team
we will take.

Billy Mills with SCITS student, Frank Adams.

Billy Mills, a 1964 Olympic gold medal winner, gave a most inspirational speech in the SCITS auditorium. Native students of both elementary and secondary school levels from all over Lambton County were present to listen to him. In an encouraging oratory fashion, Mr. Mills spoke of how these young people can successfully reach their goals.

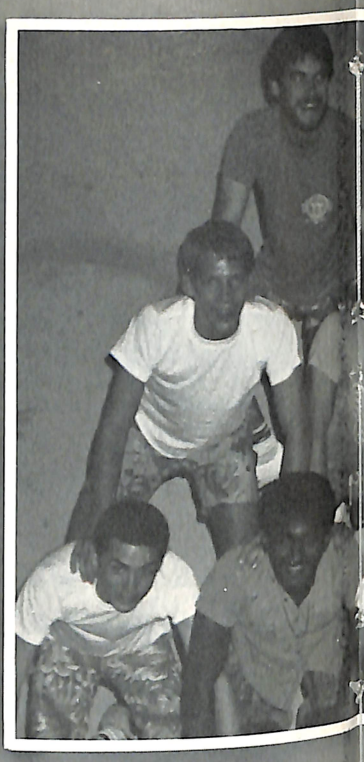

Nerds are people, too.

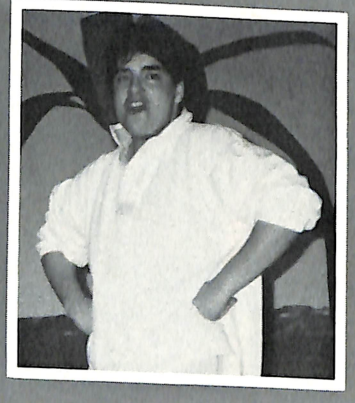

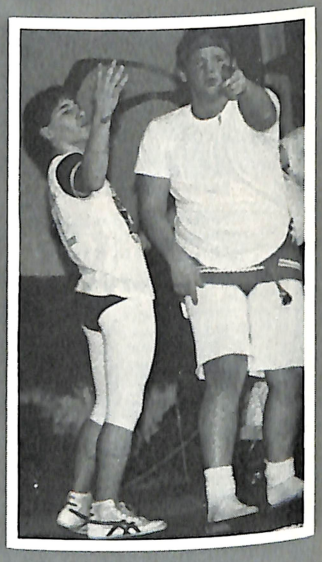

Can we talk? I mean seriously!

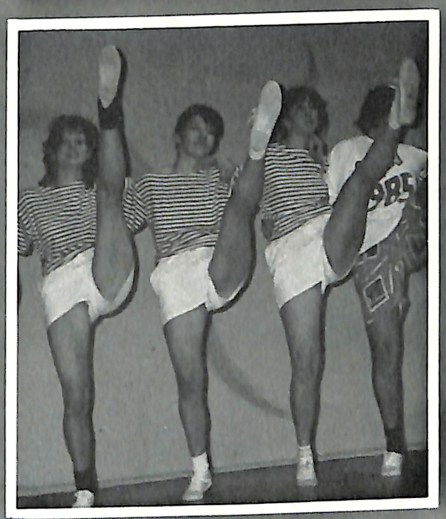

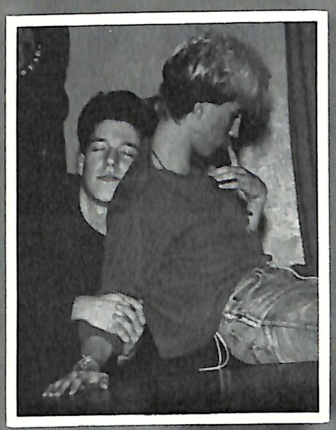

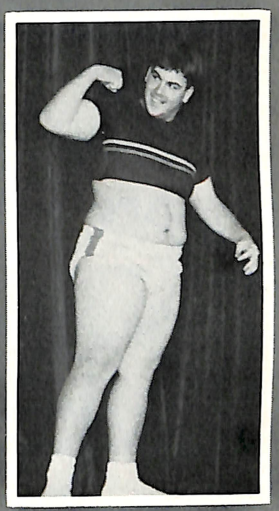

Wow, can they kick!!

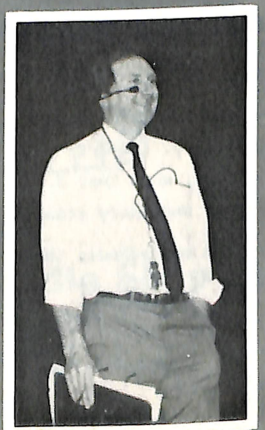

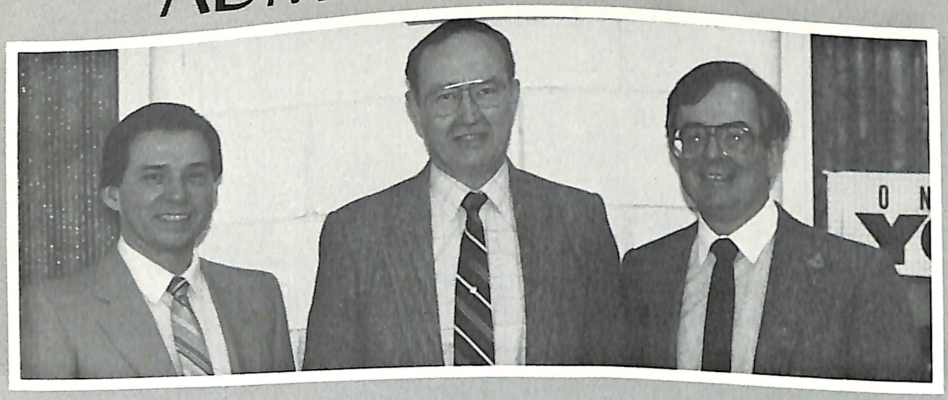

Oh no, not in me eye!

Sunrise Breakfast

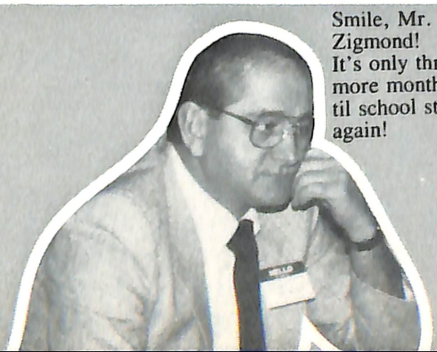

Serving the community with excellence in education . . . SCITS also literally served the community -- a sunrise breakfast, that is. Pancakes and sausages were served to over 100 community members who have contributed time, effort, commitment and interest into our school.

WE MISS YOU, MARILYN.

Smile, Mr. Zigmond! It's only three more months until school starts again!

May 6, 1987

Dear Readers:

It's a pleasure to have the opportunity to write the concluding message for our 1986-87 "Ad Astra". This yearbook records a great year for all of us. The redecorated interior, especially lockers and brickwork, welcomed us in August. Throughout the year our teams won time and time again, but even more importantly, our usual friendly and frenzied spirit seemed ever stronger. We had great assemblies. The "great grey coach" of the teachers, and "But I don't wanna!" of the students still get chuckles when repeated. We also continued the tradition of community support, collecting food for the Salvation Army, hosting the Student Legislature Cancer Society Fund Raiser, and selling carnations for the Multiple Sclerosis Society. Special events, dances, noon-hour activities, etc., organized by the G.A.A., B.A.A., Legislature and other groups added to our year.

Despite, or more likely, because of, this activity, our students continued to learn and grow academically. Reports back from universities, most recently the University of Guelph, show that S.C.I. & T.S. students continue to do very well indeed after secondary school.

We are proud of our students and our school; thank you for letting us share your life.

Phil Brown

Principal.

STRIVING TO BUILD THE LEADERS OF TOMORROW

"We are all blind until we see
That in the human plan,
Nothing is worth the making
If it does not make the man.
Why build these cities glorious
If man unbuilded goes?
In Vain we build the world unless
The builder also grows," . . .

WE WISH YOU SUCCESS AND HAPPINESS
